Cope Foundation in Cork Communities

Do you have some **spare time to help people** in your local community?

## Social Club Assistant

We have five residents who would love to attend a local social club weekly. The club is great fun and is a way for these people to be included in their local community.

The volunteer needs to be kind, caring and have good people skills. Someone who can communicate warmly and clearly with individuals with diverse needs in a patient and empathetic way. By supporting these individuals to engage in social activities the volunteer will help reduce isolation and promote their sense of belonging.

Reliability and punctuality are very important for this role. We would like the volunteer to commit to at least six months but we can also consider volunteers who are available once a fortnight. The Social club will be closed for summer from end of June until September.

The volunteer will enjoy a fun and sociable evening, become part of a supportive and friendly team, meet new people and build lasting relationships. They will experience the joy of making a positive impact on the lives of others and in helping to build an inclusive community.

*A volunteer is required to assist staff in supporting the residents every Thursday evening from 7pm to 9:30pm*

*Clonakilty area*
