Cope Foundation in Cork Communities

Do you have some **spare time to help people** in your local community?

Driver

A volunteer Driver is required to take a resident out for a drive on a Saturday or Sunday morning.

This person really enjoys going out for a drive every day. The volunteer should have a kind, friendly attitude and an interest in interacting with people with an intellectual disability. A staff member will always be present for support, your main role will be to drive the vehicle which we will supply.

A full clean driving licence is essential and the driver must be over 23 years old and have had their full licence for at least two years.

Saturday or Sunday morning

Clonakilty area

Please contact Milly Farrell, Volunteer Coordinator:
