Community Engagement Volunteer - Ballincollig

Ballincollig

**From 5 pm to 8 pm Mon to Thurs
would be the best times or residents
can be flexible to fit in with the time
of the local activity.**

What you will be doing:

You will help to facilitate their participation in community activities such as tidy towns and other community-based activity groups in Ballincollig and within the south side of the city. Our residential service for adults would love some volunteers to support residents to attend various activities in the local community. These activities will bring purpose and meaning to the lives of the people we support and will help residents to achieve their goals.

What you'll gain:

You will get to make a meaningful impact on the quality of people's lives whilst also contributing to your local community. This could be a very rewarding volunteer role.

What you need:

You will need to have a kind, patient attitude and an interest in people with an intellectual disability and be willing to adapt to the changing needs of the residents. Some local knowledge of community activities would be helpful.
