Cope Foundation in Cork Communities

Community Engagement Volunteer - Mayfield

Deerpark, Mayfield

Flexible, evenings and weekends

What you will be doing:

You would be supporting people who live in a residential home called 'Deerpark' to attend activities within their community, i.e. going to the cinema, library, mass, shopping, bingo and more. If you have a particular skill or interest in music, art, fitness and gardening, you could share or teach these activities in the home.

What you'll gain:

You will meet a fun group of people who are willing to partake in everything. This experience would enhance your life greatly and you would make new meaningful connections.

What you need:

A full driving licence may also be useful but it is not essential as local amenities can be accessed within walking distance. You must have good communication skills, be kind and dependable.
