What you will be doing:

Horizons are seeking a volunteer driver to assist staff in bringing the people we support on community outings. You will be assisting adults with an intellectual disability to partake in a sociable, fun outing and will be adding great value to the quality of their lives.

What you need:

No experience of people with disabilities is required as staff will always be present. Volunteers just need a kind, caring attitude and an interest in helping people to be included as equals in society and to reach their full potential. **The driver must have a full clean licence for at least two years and be over 23 years of age.**
